*Spending time at home will be welcome here! Love to cook? Whip up your favorite recipes in this remodeled kitchen with top-of-the-line Samsung appliances, granite counters, distressed tile floors and custom white cabinets. Refinished hardwood floors will impress your guests on entry to the living room. As you walk thru, past the updated hall bath with new fixtures & paint, check out the Primary Bedroom with mirrored closet and upgraded En-Suite Bathroom. Venture past the 2nd bedroom with ceiling fan and enter the family entertainment room. With access to the back yard, this room offers TV viewing in mini-theater design or grab your favorite best-seller to read in front of the cozy fireplace. Working or schooling from home? The 3rd bedroom has been re-imagined to accommodate your office and your classroom. As so many are venturing outdoors for a change, but keeping close to home, the back yard has room to accomplish this. Gardeners will dig into the flower garden. Sun-worshippers have a patio area to stretch*
